15 mem- be This job lasts as long as my life But I'll turn my frown Up- side down If my  
20 en- em- ies scream I just grin Let me give you the word on Eas- ing the Bur- den Get a  
25 dun- geon to put trou- bles in Now a- long come these east- ern star gaz- ers To

35 news for them don't ev- en try They say there's a new star to fol- low And they're  
search- ing all o- ver the land They can take all their gift and their cam- els And  
40 stick'em right out in the sand But I'll turn my frown Up- sidedown What else have I got sol- diers  
45 for A quick bit of slaugh- ter Of sons but not daugh- ters And I'll soon show this new king the  
50 door And I'll turn my frown Up- side down If I speak with a lu- na- tic tone It's be-
